

We're hiring!

Join NJSACC's Quality Coaching Team *FULL TIME* as a **Technical Assistant Specialist (TAS)**

NJSACC's Quality Coaching Team is looking for a seasoned, experienced OST professional to join us full time in providing high quality professional development, technical assistance, and support to afterschool professionals ranging from direct service staff to veteran program leaders. We offer a generous compensation package that includes:

- *25 Paid Time Off (PTO) days & 16 holidays that follow the NJ state calendar*
- *401k with employer match & generous sick leave*
- *Flexible 35 hour/week hybrid work schedule*
- *Full Time Salary commensurate with experience*

Minimum Qualifications Necessary Include:

- 5+ years of hands on experience working with school-age youth in out-of-school time (OST).
- 3+ years of OST staff supervision experience.
- Extensive knowledge of school-age afterschool and OST program best practices, assessment tools, and resources.
- Ability to create and deliver in person and virtual training to adult learners including accompanying slide shows and handouts.
- Competent, proficient and comfortable in the use of technology including high competency level with at least google suite, power point, zoom, email, and all cell phone functions.
- Strong leadership and interpersonal skills.
- Organized, self-motivated, and comfortable with in person and virtual interaction.
- Ability to travel throughout the state for onsite visits, but occasionally beyond for special events.
